

# KNOWLEDGE ORGANISER – HISTORY- YEAR 1- TOYS

## KEY QUESTION: How have toys changed over time?

### What should I already know?

Toys are objects we play with. Many toys were different in the past. My mummy/daddy/grandparents played with some different types of toys to me. Life was different in the past.

### Questions I will be able to answer at the end of the topic?

Which materials did they use to make toys in the past?

Why did they use different materials to make toys in the past?

Are all toys from the past different from toys today?

How were teddy bears different in the past?

How were dolls different in the past?

Where did children play with toys in the past?

What did Victorian children play with?

### Key dates/facts

Teddy bears were invented over 100 years ago.

Queen Victoria was queen for 64 years!

Many toys we play with now were not created 100 years ago.
