

# LEARNING ORGANISER –GEOGRAPHY- YEAR 3- STREETLY

## KEY QUESTION: Where is Streetly and why would you live there?

### What should I already know?

The country I live in is called England. I live in Walsall/ Birmingham , which is a city in England. There is a sea all around the island we live on. There are 7 continents and I can name some of them. I know the name of the area I live in, my road and some other names of places in the UK. I know London is the Capital city and I can name some of it's important landmarks.

### Which questions will I be able to answer by the end of the topic?

What is a city/town/ village?

In which part of the country is my city/town located?

How can I travel around the UK and in which direction?

What is a map/ key/ atlas/globe and how can I use them?

How can I use a map to plot my journey/make a journey?

What services are there in Streetly and are these enough?
