

Reception Class Rules

Dear Parents

For your information, I am sending home the class rules as agreed with the children. These are displayed in the class and are constantly referred to throughout the day. These rules are very important as they keep the children safe in school, ensure harmonious relationships and make for an effective learning environment. Please talk to your child about these rules and the importance of following them at all times. I look forward to your support with these through the year.

Many thanks

A Turley

Reception Class Teacher / EYFS & KS1 Leader
