**Wednesday word:**  
**Talent**

We need to use our talents to help others as well as ourselves.

# We gather

We gather here today

In the name of the Father

and of the Son

and of the Holy Spirit

Amen

Our response is...

We will use our talents to help others.

When people are hurt...

When people are upset...

When people are struggling with their work or having a stressful day...

## Peter 4:10-11

Each one, as a good manager of God's different gifts, must use for the good of others the special gift he has received from God.

## Main discussion points:

Please use and enjoy your talents, we should use them to help others. People need your talents, we need to help those people and make sure they're safe. How can we use our talents to help others?

We respond to the Word of God.

Write a prayer on the piece of paper you are given about how we will use our talents to help others.

## Please remember...

God gave you a talent for a reason, so please use it. We need to help others less fortunate than us, so go forth with joy, and use your talents to help others.

Our final hymn is 10,000 reasons.
