### ***Statement of intent***

At St. Anne's Catholic Primary School, we understand the need to continually deliver high quality education, including during periods of remote working – whether for an individual pupil or many. We recognise the importance of maintaining high expectations in all areas of school life and ensuring that all pupils have access to the learning resources and support they need to succeed.

Through the implementation of this policy, we aim to address the key concerns associated with remote working, such as online safety, access to educational resources, data protection, and safeguarding.

This policy aims to:

- Minimise the disruption to pupils' education and the delivery of the curriculum.
- Ensure provision is in place so that all pupils have access to high quality learning resources.

- Ensure robust safeguarding measures continue to be in effect during the period of remote learning.
- Ensure all pupils have the provision they need to complete their work to the best of their ability, and to remain happy, healthy, and supported during periods of remote learning.

This policy applies to circumstances where:

a. the School is anticipated to be closed for a period longer than 1 day because (e.g.) the School is inaccessible, key systems or utilities have failed, or an order by a regulatory authority requires the School to close and/or a significant number of people to self-isolate<sup>[1]</sup>. The School will do all that it reasonably can to continue to deliver educational services, by using various technologies and online services to enable remote teaching and learning.

Signed by:
